Good Morning:

Mr. Evers, GSA is in receipt of the attached FOIA request number GSA-2019-000465 dated January 3, 2019.

Kindly advise what is the subject matter for which you seek communications between GSA and the Trump Organization?

GSA has interpreted your request to be for communications between the political appointees from the offices you provided and the Trump organization with respect to funds for the operations of the Old Post Office Tower (OPO) during the partial federal government shutdown that commenced on December 23, 2018.

Please advise if this is correct, so that we may proceed with the processing of your FOIA request.

Interesting. 2019-000465 was an American Oversight FOIA. I have one from Mr. Ravinzky in which he is asking for: "a copy of each email (TO, FROM, CC) in the email account of each member of GSA office H1F, during the time period January 1, 2018 through the present, that contains any of the following words: Ravnitzky or Rav."

Dear Ms. Slappy:

I would like to obtain the emails or notes associated with the handling of the prior request (FOIA 2019-000465), not the requested or released records themselves. I asked for these records because I thought the response was problematic.

At this time, I prefer not to use or register to use the FOIAonline portal.

Thank you very much for your help.

Sincerely,

Mr. Ravnitzky, thank you kindly for your quick reply.

I processed request 2019-000465. I don't use take or use notes.  
I process all requests using email so that I have good records.  
I will complete my response letter and include those emails.

Again, thank you kindly for responding to me.

Dear Ms. Slappy:

I would like to obtain the emails or notes associated with the handling of the prior request (FOIA 2019-000465), not the requested or released records themselves. I asked for these records because I thought the response was problematic.

At this time, I prefer not to use or register to use the FOIAonline portal.

Thank you very much for your help.

Sincerely,

Good Afternoon:

Michael I have an aged request presented to this office in which you've requested, "a copy of the contents of the administrative processing/handling/tracking file/folder (in other words any records) associated with prior FOIA request GSA 2019-000465 , including emos, notes, etc., and also any emails associated with the processing of the request. You may limit your search to the FOIA Office."

I processed this request. Please tell me, specifically what you are for. I treated this request as I do all other requests.

Are you seeking the records released under FOIA 2019-000465 or are you seeking my emails requesting records under FOIA Request GSA-2019-000465. Below where it reads does Requester have an account, please establish an account in FOIAonline.gov so that you would be given access to all completed FOIAs.
